Dear CLEA Community,

Spring is in full swing!

The birds on campus are singing their Spring songs and adding to the activity on campus as students return from Spring Break. The amazing large-scale plantings of daffodils on the Cliff Walk are starting to show yellow blooms, and we are enjoying the return of the light! We hope this newsletter finds you healthy, happy, and engaged.

Current Students, please join Graduate and Professional Studies and your fellow grad students at a fun night at the theater on Thursday, March 21st!

Registration will soon open for Summer and Fall. Current students, please touch base with your advisor, if you haven't already.

Graduation prep is starting for students wrapping up their studies. Those who are graduating and receiving certificates in May will receive a separate email with important information and action items. (A link to the information is included in this newsletter.) Please follow up, as needed.

Alums, we would love to share your news! Please feel free to send a blurb about your activities and accomplishments to [Julie.williamsdavis@salve.edu](mailto:Julie.williamsdavis@salve.edu).

Best wishes as we swing into Spring,

and all of us in the Department of Counseling, Leadership, and Expressive Arts

# DEPARTMENT NEWS

## New Course Number: HLC-514. Foundation / Intro to Expressive Arts as Transformation

The course was formerly numbered HLC-582 and has now been changed to HLC-514. This is the primary foundation / intro course for the Expressive Arts program; it serves as an elective for the Counseling programs, and as a prerequisite for the full CGS/CAGS program in the Professional Application of the Expressive Arts. Course meets 2 weekends on campus, with guided study time between weekends: JUNE 15-16; JULY 20-21, 2024; (Sat-Sun. 9:30am - 4:30pm)

---

## Finding courses: Grad Summer, Session 1, Session 2

While registering online through the Campus Portal and Course Catalog you'll see that the sessions for each semester are sub-listed with Grad Summer - Grad Summer Session 1, Grad Summer Session 2, etc.

If you are looking for a class but cannot find it in the main semester, try typing in the course Number, (HLC-514, etc) as it may not always be obvious about which part of the semester you'll find your course.

For example, for Expressive Arts courses: HLC-514 Foundations / Intro to Expressive Arts is listed in regular Summer Graduate Session (as elective / prerequisite) while the specialty HLC-592 Arts Nature and Eco-consciousness class (as elective) is listed in Summer Session II for Summer2024.

---

## Dates: For Weekend and Hybrid courses

The weekend dates may not always be clearly visible there on the course catalog pages.

Try clicking on the course on the registration page for further details that are not visible.

If you have questions about dates for Expressive Arts weekend courses then please contact us for clarity.

---

## TIMING for Registration:

If you plan to take a course that meets for part of the semester, it is now essential that you register by the Beginning of the Semester for classes.

For example, if you're registering for HLC514: Foundations / Intro to Expressive Arts, which first meets in June, it will be necessary to still register in April or May as space allows, before the actual semester begins.

Registration for Summer opens: April 3rd at 12am.  
Payment arrangements can still be worked out with Business Office, but the registration itself needs to be completed early.

## Graduate Student Social

Thursday, March 21, 2024

Current graduate and doctoral students are invited to a casual gathering in the Lobby of the Casino Theatre before attending Salve Theatre Group's production of Chicago.

Mental Health Conference 2024  
sponsored by Rhode Island Holistic  
Healing Association

There is an existing paradigm shift where people are looking to move beyond medication and conventional mental health treatment. Many people are seeking more holistic and integrative approaches to healing and well-being. Healing Arts and RI Holistic Healing Association are hosting Rhode Island's Third Annual Integrative Mental Health Conference on May 3,4,5, 2024 at Christian Brothers Retreat & Conference Center.

# SRyou Day

Wednesday, April 10, 2024

SRyou Student Exposition showcases students' work and experiences. The day offers an opportunity for all undergraduate and graduate students to share curricular, co-curricular and extracurricular involvements with their peers, faculty, staff and community members.
